PRESS RELEASE
FOR IMMEDIATE DISSEMINATION

Medanta Super Speciality Hospital Ushers in a New Era of Quality Healthcare in the Northeast with Bhoomi Poojan of its Upcoming Hospital in Guwahati

-- Hon. Assam Chief Minister Dr Himanta Biswa Sarma the guest of honour for ceremony

Guwahati, October 31, 2025: Global Health Limited “Medanta”, one of the largest private multi-specialty tertiary care providers operating in the North and East regions of India, took an important step towards delivering world-class healthcare in the Northeast states with a Bhoomi Poojan ceremony in Guwahati to mark the beginning of construction for its upcoming 400+ bed super-specialty facility in the city.

The event was graced by the **Honourable Chief Minister of Assam Dr. Himanta Biswa Sarma** as the guest of honour of the event, and **Dr. Naresh Trehan, Chairman & Managing Director, Medanta**. Other dignitaries present at the occasion included **Mr. Pankaj Sahni, Group CEO, Medanta**, and senior Assam leaders and members of the local community.

The upcoming state-of-the art 400+ bed facility is set to come up at Industrial Estate, Sarusajai, Guwahati along National Highway 27 at an approximate cost of Rs 500 crores. It will deliver world-class tertiary and quaternary care, encompassing a comprehensive range of super-specialties including a robust Transplant program (including that of the Kidney, Liver, Lung, Heart, Bone Marrow and a Robotic Transplant Program); Cardiology and Cardiac Surgery; Thoracic Surgery; Peripheral Vascular Surgery; Paediatric Cardiology and Paediatric Cardiac Surgery; Neurology, Neurosurgery, and Intervention Neurology; Orthopedics, including joint replacements; Medical, Surgical and Radiation Oncology; Gastroenterology and GI Surgery; Nephrology and Urology; Respiratory Medicine and Intervention Pulmonology; ENT and Head & Neck Cancer; Plastic, Aesthetic, and Reconstructive Surgery; Endocrinology; Critical Care Medicine and Trauma Emergency; Ophthalmology; and Dentistry and Maxillofacial Surgery, among other specialties, as well as all Diagnostic Services, including Labs, Radiology, and Nuclear Medicine as well as Preventive Health Check-ups.

Speaking about the upcoming super-specialty hospital, **Dr. Naresh Trehan, Chairman and Managing Director of Medanta**, shared, *“North East India is a region that has long been underserved with respect to health care services. At Medanta, we believe that quality healthcare should be a right, not a privilege, and this new facility is being developed to meet the rising demand for advanced, accessible care, thus reaffirming our mission to make cutting-edge healthcare accessible to all, no matter where they live. With today’s Bhoomi Poojan ceremony, we take a significant step towards establishing a world-class hospital in Guwahati, one that will not only serve the people of the city but also benefit the entire North East region.”*

Medanta’s foray into the region will be transformative, setting new benchmarks in quality healthcare delivery, and ensuring access to cutting-edge medical services such as advanced robotic procedures not only for Guwahati but also for the entire Northeastern region. Additionally, it is also expected to generate significant employment opportunities, creating 5,000-7,000 direct and indirect jobs across

various sectors, including healthcare, administration, and support services, contributing to the region's overall socio-economic development.

Stating that Guwahati is the gateway for the entire Northeastern region of India, **Mr. Pankaj Sahni, Group CEO, Medanta**, said, *"There is an urgent need for quality healthcare in India due to rising lifestyle-related diseases and an ageing population. Medanta's patient-centric approach makes us uniquely positioned to address this need and deliver high-quality, accessible, and reliable healthcare for all. Guwahati is often regarded as the gateway to the North East, and offers strong connectivity across the entire region. Our upcoming 400+ bed super-specialty hospital in Guwahati will allow us to bridge the healthcare gap to underserved areas in the Northeast and bring world-class, high-end medical care within easy reach of over 50 million people."*

About Global Health Limited (Medanta):

Founded by Dr. Naresh Trehan, a world-renowned cardiovascular and cardiothoracic surgeon who has been awarded the prestigious Padma Bhushan and the Padma Shri, the third- and fourth-highest civilian awards in India, and the Dr. B.C. Roy Award in recognition of his distinguished contribution to medicine.

Global Health Limited (the "Company") is one of the largest private multi-specialty tertiary care providers operating in the North and East regions of India, with key specialties cardiac science, neurosciences, oncology, digestive and hepatobiliary sciences, orthopedics, liver transplant, and kidney and urology, according to the report titled "An assessment of the healthcare delivery market in India, September 2022" by CRISIL Limited.

Under the "Medanta" brand, the Company has a network of six hospitals currently in operation (Gurgaon, Indore, Ranchi, Lucknow, Patna and Noida). Spanning an area of 5.5 million sq. ft., its operational hospitals have 3,362 installed beds as on September 01, 2025.

Additionally, four hospitals with a planned bed capacity of approximately 2,000 are in various stages of planning or construction in Mumbai, New Delhi (Pitampura), South Delhi (GK), and Guwahati. The Company provides healthcare services in over 30 medical specialties and engages over 2,000 + doctors led by highly experienced department heads.
