FOR IMMEDIATE RELEASE

Medanta Expands in Delhi-NCR with launch of 550-Bed Super Specialty Hospital in Noida

Gurugram, September 1, 2025: Global Health Limited "Medanta", one of the largest private multi-specialty tertiary care providers operating in the North and East regions of India, today announced the commencement of operations at its new 550 bedded hospital in Noida, Uttar Pradesh. The launch further strengthens Medanta's commitment to provide highest standard of healthcare in the National Capital Region (NCR).

The state of the art hospital opens with 300 operational beds, including 100+ ICU beds and 5 advanced operating theatres. Equipped with cutting-edge technology such as Da Vinci Xi Surgical Robot, Next generation O-Arm, Artis Icono AI-driven Biplane Cath Lab, advanced diagnostic systems including 3 Tesla MRI, 256-Slice Dual Source CT, PET Scan, and Gamma Camera, the facility is designed to provide world-class medical care.

Medanta Noida will deliver comprehensive tertiary and quaternary care across more than 20 super specialties including Cardiology, Oncology, Neurosciences, Gastroenterology, Orthopaedics, and all kind of Transplants. The team comprising of over 60 senior clinical experts, including 30 directors, have already been on-boarded.

Strategically located in Sector 50, Noida, with direct connectivity to the Metro network, the hospital is well positioned to serve patients across Delhi-NCR and the underserved regions of Western Uttar Pradesh.

Speaking about the launch of the Noida unit, **Dr. Naresh Trehan, Chairman and Managing Director of Medanta**, shared: *"Our new hospital in Noida marks another milestone in Medanta's journey of bringing world-class healthcare to the people of India. With advanced infrastructure, cutting-edge technology, and a strong team of clinicians, this facility is designed to deliver comprehensive tertiary and quaternary care. Strategically located to serve patients across Delhi-NCR and Western Uttar Pradesh, it reinforces our commitment to expanding access to high-quality, patient-centric healthcare across the country."*

Highlighting the importance of expanding healthcare services in Delhi-NCR, **Mr. Pankaj Sahni, Group CEO, Medanta**, said: *"The launch of our Noida facility today represents a significant step in Medanta's growth journey. This expansion strengthens our presence in the NCR while extending access to a large and underserved population in Noida and Western Uttar Pradesh. With rising demand for advanced medical care, Medanta is well placed to address this opportunity through scale, clinical excellence, and innovation. Our focus remains on building a future-ready healthcare ecosystem that not only meets current needs but also sets new benchmarks for quality, accessibility, and patient outcomes across India."*

**About Global Health Limited (Medanta):**

Founded by Dr. Naresh Trehan, a world-renowned cardiovascular and cardiothoracic surgeon who has been awarded the prestigious Padma Bhushan and the Padma Shri, the third- and fourth-highest civilian awards in India, and the Dr. B.C. Roy Award in recognition of his distinguished contribution to medicine.

Global Health Limited (the "Company") is one of the largest private multi-specialty tertiary care providers operating in the North and East regions of India, with key specialties cardiac science, neurosciences, oncology, digestive and hepatobiliary sciences, orthopedics, liver transplant, and kidney and urology, according to the report titled "An assessment of the healthcare delivery market in India, September 2022" by CRISIL Limited.

Under the "Medanta" brand, the Company has a network of five hospitals currently in operation (Gurgaon, Indore, Ranchi, Lucknow, and Patna). Spanning an area of 4.7 million sq. ft., its operational hospitals have 3,062 installed beds as on June 30, 2025.

The Noida hospital, which was under construction, became operational on September 1, 2025, marking Medanta's sixth hospital. Additionally, four hospitals with a planned bed capacity of approximately 2,000 are in various stages of planning or construction in Mumbai, New Delhi (Pitampura), South Delhi (GK), and Guwahati. The Company provides healthcare services in over 30 medical specialties and engages over 2,000 + doctors led by highly experienced department heads.
